1 North American Newswire

1. LOS ANGELES – Kathleen Kennedy-Powell , the Los Angeles Municipal Court judge who will rule whether O.J. Simpson **must** stand trial in the gruesome stabbing deaths of his ex-wife and her friend , is a former prosecutor with a reputation as a strong-willed , independent jurist .
2. He **must** know how difficult it was last year to fashion congressional majorities to deal with a federal budget deficit that exists now and had been out of control since 1981 .
3. And he **must** know that on its present course the Social Security system will be solvent through 2029 .
4. But thorny practical issues **must** still be encountered .
5. But all this **must** be worked out .
6. It is hard to believe that they only realized on Tuesday that whoever was bleeding so much on June 12 **must** have washed blood into a sink .
7. For those of you who have never spent much time in that Oz we all know as Inside the Beltway , the spectacle of White House aide David Watkins helicoptering out for a round of golf at taxpayers ' expense , or of the obstinate refusal of former chairman Dan Rostenkowski of the House Ways and Means Committee to knuckle under in the face of potentially ruinous ethics charges , all **must** have the whiff of arrogance distilled to a fine liqueur .
8. North Korea **must** know that political and economic normalization will be linked to real de-nuclearization .
9. But this is what consultations **must** be designed to achieve .
10. What makes “I Love Lucy: The Very First Show” really a **must** for hard-core fans is the commentary by Lucie Arnaz – daughter of Lucille Ball and Desi Arnaz – and the scriptwriters .
11. To succeed in television you **must** reach us , touch us in some fashion , positively or negatively .
12. People like Simpson and Bill Cosby , who embrace a society at large , **must** realize they risk losing something of themselves , not to mention alienating some in their own subcommunity – but they **must** see a greater good .
13. But he added that “there is no change at all in our insistence that the North Korean nuclear problem **must** , to the end , be settled through dialogue.”
14. But , unlike Hata , he declared that sweeping administrative reforms to reduce government spending **must** be carried out before the 3 percent consumption tax is increased to cover possible shortfalls in government revenue .
AP-NY-07-01-94 1821EDT X1757 07-01 0784 bc-japan-post By Paul Blustein (c) 1994 , The Washington Post
New Prime Minister Seeks to Reassure Allies (Tokyo) (wap) (ATTN: Foreign editors)
15. Arafat also appealed to Israelis , saying that while Palestinians would respect Jewish sacred sites in Jerusalem , “they **must** recognize the Muslim and Christian holy sites in Jerusalem.”
16. “I say to the people of Israel , with which we signed a peace of the brave , all of us need more courage , so to continue the peace , we **must** continue the peace which we signed , ” he added .
17. He now **must** decide , as well , whether to discipline some of those involved , either by relieving them of duties or by subjecting them to courts-martial .
18. The United States will not send troops but **must** at least lift the embargo “so the victims can protect themselves , ” responded Lieberman .

19. Haitians must be able to see that steady progress is being made in processing people and deciding their status rather than leaving them in indefinite limbo .
20. The Senate 's leading voice on crime legislation , Sen. Joseph R. Biden Jr . , D-Del . , said in an interview Friday that Clinton must either declare exactly what version of the Racial Justice Act he would accept , or publicly demand its removal from the crime bill .
21. "He can say anything he wants , but he must act according to what is in the agreement , " Peres commented .
22. "It may be too late for Gus to be rehabilitated , but we must not enslave animals anymore , " she said .
23. He said the chairman now must marshal the divided factions that are still debating the wisdom of peace , push for international donations to fund the new self-rule government and build a nation out of a land of desperate refugees and dispirited farmers .
24. But Pearson said he did not expect to begin processing the migrants , who each must be interviewed by Immigration and Naturalization Service adjudicators , until next week .
25. Refugees who pass INS screening must wait at the base until the State Department finds a U.S. family or organization to sponsor them .
26. Although the Finance Committee will be the last committee to act on health care legislation , its endorsement is thought to be particularly influential because its membership is more representative of the various factions that must be brought together before health reform can become law .
27. "For a prosecutor , it must be a terribly frustrating feeling (to lose a witness this way) because the prosecutor has nothing to offer to persuade a witness not to sell his story or her story to a tabloid or a movie producer or whoever 's buying , " said Jonathan Kirsch , a Los Angeles attorney who specializes in media law .
28. Although the Finance Committee will be the last committee to act on health care legislation , its endorsement is thought to be particularly influential because its membership is more representative of the various factions that must be brought together before any such measure can become law .
29. "I could n't resist needling you , " said Mathias , a liberal Republican who often voted with Democrats during the Nixon and Reagan years and knows what a tender target Chafee must be .
30. Hugh B. Price , new head of the National Urban League , must raise the profile of his organization , along with millions of dollars to improve the lot of poor blacks .
31. Moreover , activists have used the issue not only to fight additional safety regulations , but to try to weaken a 1990 nutrition-labeling law requiring supplement makers to support health claims with "significant scientific agreement among qualified experts" – just as most food manufacturers must do .
32. The calmer things appeared , the worse they must be .
33. "There is a feeling (in Western governments) that we must perpetuate the myth that Serbia is not part of (the offensive) and that it is possible to persuade Milosevic to persuade Karadzic" to withdraw from conquered territory .
34. The House and Senate must then approve the conference report as its final , unified bill .
35. All aircraft must carry enough fuel to circle its intended airport for at least 45 minutes and then fly to an alternate airport , just so that poor weather can be avoided .
36. Japan 's friends , of whom there are many in this country , must hope that the Murayama government proves to be only a brief transition to something sturdier and better able to make the sharp changes in policy that Japan will need in the gathering economic emergency .
37. The Serbs must be made to fear they would lose ground if they do not settle now , the administration contends .
38. Jolly , a director of the Western Canadian Wheat Growers Association , is none too happy with the government Wheat Board , to which he must sell all his crop at a non-negotiable price .
39. "In many respects , the fight (for universal health care) has just begun as the debate moves to the House and Senate floors , " the first lady told more than 10 , 000 members of the National Educational Association in New Orleans , adding: "We must redouble our efforts" to move Congress to act in the face of "strong and organized opposition."
40. Applicants must pay \$ 90 fee and fill out a four-page form , which asks a bewildering array of personal questions in English .

41. During a subsequent interview , applicants must demonstrate an ability to speak and understand English – some long-time residents older than 50 are exempted from this requirement – and pass a history civics test that encompasses themes from the obscure to the relevant , including: Name five of the first original 13 states .
42. “The president has responsibility to protect American lives , and we have an embassy down there with staff , and in light of the escalating human rights violations . . . there is great concern that we must be prepared to protect American citizens ,” he said .
43. But Arafat has a deeply ingrained penchant for micro-managing , and his aides acknowledge that he must lose that habit now that he must preside over the day-to-day Palestinian affairs .
44. But Arafat has a deeply ingrained penchant for micro-managing , and his aides acknowledge that he must lose that habit now that he must preside over the day-to-day Palestinian affairs .
45. Arafat was honored with a plaque saying the plant was built under his “auspices ,” and he declared it was an example of how the Palestinians must focus on “reconstruction and development.”
46. This principle must be respected as the courts seek ways also to protect the right to clinic access .
47. The Supreme Court does n’t know what it thinks about the Federal Communications Commission ’s rule that cable operators must carry local broadcast stations ’ programs whether they want to or not .
48. He will replace Justice Harry Blackmun , who provided the fifth vote in the 5-4 decision that said in effect that if the lower court finds broadcasters would go out of business if they ca n’t get access to cable , then the law that produced the so-called “must carry” regulation must be upheld .
49. The Mayan god , made of foam rubber and brought to life with the voice of Dee Baker , explains the competitions and tells the stories the kids must remember to win the brain part of the game .
50. Kennedy broke with conservatives to rule that criminal suspects must be given a hearing before U.S. marshals can seize their property .
51. “Social development must be the basis for economic development , and we can not speak of social development in Palestine , only of retreat and even collapse , during the Israeli occupation ,” Wazir said .
52. There must also resources allocated for prevention , drug treatment and rehabilitation , they said .
53. Ultimately , the public and government must confront the social ills contributing to crime , Holder said .
54. None can claim an overwhelming mandate at home , although prime ministers Jean Chretien of Canada and Silvio Berlusconi of Italy , newly chosen , have not yet been subject to the sniping with which many of the others must deal .
55. Some lawyers appearing on television lament that they must give ready replies to legal questions without consulting a law book or reading a case .
56. Hammerschmidt said that the cockpit came to rest in the road , meaning the motorist must have passed an instant ahead of the cockpit , which was apparently trailing the rest of the wreckage at that point .
57. The manual declares: “The Postal Service must avoid the creation of philatelic rarities ,” Helzer said .
58. Admission is \$ 3.25 for adults , \$ 2.15 for children 6 through 12 , free for children under 6 (but they must be able to walk unassisted) .
59. It works very well for pasta because of the high starch , but must be mixed with white flour for a good texture in bread baking .
60. In the world of long-distance freight hauling , Thorne and other owner-operators are like self-employed taxi drivers: commanders of their own fixer-uppers and their own schedules , paid-by-the-mile opportunists who must hustle free-lance fares without a dispatcher .
61. Unable to compete with huge companies such as Arkansas ’ J.B. Hunt , with its armies of drivers and sophisticated dispatch systems , independents must nibble away at the edges of the long-distance trade , relying on brokers for their loads – an uneasy relationship that makes many drivers distrustful of the hand that feeds them .
62. At the loading dock , Thorne is scolded by a scrawny woman in tight denim jeans who points to half a dozen other trucks that must be unloaded before anyone touches his 13 pallets .
63. Now he must drive overnight to make a Wednesday delivery in Albuquerque .
64. The manager says he must wait to be unloaded .

65. Now I must reclaim that role .
66. To permit government to do otherwise , the government must satisfy the burden of proving that the project proposed by the property owner would actually cause significant problems for the rest of society , which the land demanded as a “gift” would actually alleviate .
67. It is this game which the Supreme Court has said must end .
68. But if he is to persuade people that their concerns are his , he must talk about social disorganization , families and religion .
69. Clearly school authorities everywhere must invest more in science teaching .
70. On the record of its ministers , it must wish to dismantle the measures for domestic political reform and economic deregulation that the ousted coalition enacted .
71. But important restrictions must be met: Travel must take place during midweek between now and the end of August ; the rate is based on night flights ; and availability is limited .
72. But important restrictions must be met: Travel must take place during midweek between now and the end of August ; the rate is based on night flights ; and availability is limited .
73. “Conditions must be just right to keep them alive.”
74. Next , the relevant agencies must draft and publish in the Federal Register a proposed “rule , ” which describes how to implement the new law .
75. Baby Boomer Clinton may be more in step with current trends suggesting collegial and inclusive management strategies that forgo formalized autocratic or top-down hierarchies in favor of team consensus building and relying on strengths of those who must implement the decisions .
76. Now , many residents accept that the world has changed and that both union and management must adjust with the times .
77. In Moscow , he has continued to sound the theme , albeit in diplomatic language , that the threat exists and must be addressed before a disaster develops .
78. “We must let the people enjoy these emotional times .
79. Israeli television reported it was because Israeli officials have warned him he must first give up his position as head of the Palestinian headquarters in East Jerusalem .
80. But the 18 officials meeting in the Fed ’s board room must also find their way through what some have described as a virtual cloud of uncertainty surrounding forecasts of economic growth and inflation , the turbulent foreign-exchange markets and predictions about how financial markets would respond to any change in Fed policy .
81. But the Fed officials must also have one eye cocked on the currency markets , where the dollar has been weak recently compared with the Japanese yen and , to a lesser degree , with the German mark and several other European currencies .
82. Like women in beauty pageants , the dogs must be able to walk gracefully and look wonderful .
83. But no treaty guarantees that the refuge must be in the United States .
84. “The struggle must continue and this intensified work must continue until we establish our independent state with Jerusalem as its capital , ” Arafat told a welcoming rally .
85. “The struggle must continue and this intensified work must continue until we establish our independent state with Jerusalem as its capital , ” Arafat told a welcoming rally .
86. Clinton ’s shift on refugees , who had come pouring out of Haiti in hope of a chance at entering the United States , was intended to stop the exodus and give the president more time before he must confront a decision on whether to invade the island and topple its military rulers .
87. But at the same time Clinton trumpets the changes in Eastern Europe , he must also confront lingering problems of ethnic divisions , economic uncertainties and what one senior official described as “an existential worry about what ’s going to happen to the neighborhood” as Eastern European nations warily eye their Russian neighbor .
88. In the Baltics , Clinton arrives with a dual message: he will press Russia to withdraw its remaining troops from the area by the end of next month , but the Baltic nations must also improve their treatment of Russian residents .

89. At the same time , however , Clinton wants to make clear to the Baltic nations that they must deal fairly with the large population of ethnic Russians who moved to the Baltics after their forcible annexation by the Soviet Union in 1940 .
90. Adds Tucker: “This must be imprinted deep in our brains because there are a lot of people who connect with the wild but have no experience with it.”
91. Motorists must submit to searches and provide such minute details as the fuel capacity of their gas tanks .
92. But the longer-term focus must turn to whether Palestine is to be yet another sluggish and feudal Arab state or the first Arab democracy .
93. There are several treatments for shingles and the pain it brings , but they must be used promptly .
94. Sunscreens must be appropriate to activities , Dr. Epstein says .
95. A crackerjack action film with an intriguing premise: SWAT team stalwart Keanu Reeves must keep a Santa Monica bus from slowing down or it will explode .
96. Nelson joined the Washington Post in 1986 , but soon discovered that the predominantly white male staff expected African-American journalists to be more than writers: “Not only must we function as reporters , but we are also ambassadors from that colored catchall , Black America , explaining and justifying not only ourselves but also the mythical , monolithic ‘black community. ’ ” At the same time , Nelson was also searching for an “authentic” African-American experience , rejecting her upper-middle-class background as brummagem .
97. Before departing for Riga on Tuesday , Clinton had telephoned Russian President Boris Yeltsin to express what he described Wednesday as “my firm conviction that we must continue with the schedule on Russian troop withdrawal.”
98. The deceptive construction lies at the heart of a key issue for negotiations between North Korea and the United States beginning Friday in Geneva – namely , how legitimate is North Korea ’s claim that its nuclear program must be maintained to provide electricity ?
99. RIGA , Latvia – President Clinton pledged Wednesday to push Russia to remove the last of its troops from the Baltics “in a deliberate and firm way , ” while also warning that the rights of the Russian minority in this region must be protected .
