

### EXERCISE: MBABARUM

The following sentences are from Mbabarum, an Australian language (data from R.M.W. Dixon). **One sentence contains a mistake: one of the words occurs in an incorrect form.** Study these sentences, find the regularities in their structure, and on this basis try to identify the incorrect sentence. If you can, correct it by modifying or replacing the incorrect word. How did you reach your conclusion?

1. dogul mog njab
2. mogul dog njare
3. dog lob
4. mog lone alngi
5. mog lonun
6. dogul mog njare alngi
7. mog lob anmen
8. dog lim lob
9. dog lone
10. mogul limul dog njarun
11. mogul dogul njab
12. dogul mog njab anmen
13. mog lim lob anmen
